Are you planning to live on-campus for Fall 2017/Spring 2018?

Do you know where you want to live?

Do you have enough roommates to fill the room or apartment?

LOOK FOR ROOMMATES AT

<http://reslife.bloomu.edu/host.php>

- You **MUST** have a fully-matched roommate group to be eligible to apply for a specific apartment or residence hall room. If you do not have enough roommates yet, be sure to check out the **Roommate Search** site at <http://reslife.bloomu.edu/host-listings.php>. Enter information about yourself and review the list of other students looking for a roommate(s). This is a great resource for finding roommates.
- Starting December 1, you can enter your roommate(s) for Fall 2017/Spring 2018 in **MyHousing**. If you need to add or delete someone, you can do so up until the time you actually **SELECT** your apartment or room in February. You will not be able to enter a roommate request until you each complete **ApplyOnline** for Fall 2017/Spring 2017. The deadline to complete **ApplyOnline** for Fall 2017/Spring 2018 is January 31, 2017.
- Keep your Roommate Requests up-to-date in **MyHousing**. If you no longer want to live with someone you requested as a roommate, you **MUST** go back into **MyHousing** and remove them from your roommate group **before** you select your room or apartment. All roommates in the group must do the same. The person who will no longer be in your group must also remove everyone else from their Roommate Requests. **ALL ROOMMATES MUST MATCH COMPLETELY** or you will not be able to select a specific campus assignment.
- If you do not find a roommate but would like to live on-campus, you **MUST** complete **ApplyOnline** for Fall 2017/Spring 2018 by the January 31, 2017 deadline and answer your Personal Preference questions in **MyHousing**. You will not be able to select a room during the Room Selection process. During the last dates of the room or apartment selection process, send us your top five preferences of where you would like to live. We cannot guarantee what will be available but we will try to house you in one of your choices. If there is nothing available in one of your choices, we will place you wherever we have space available.
- Once you have selected or have been assigned housing, you may still be able to add or remove a roommate on the roommate request page in **MyHousing**. However, this will not add or remove that person from your housing assignment. Email buhouse@bloomu.edu to discuss any room or roommate change requests prior to the end of the spring semester. Be aware, there is no guarantee that a change will be made.
