

HOST Fall 2018/Spring 2019

You completed the first step, your on-campus housing agreement, for Fall 2018/Spring 2019. Be sure to complete the HOST process and secure your suite, residence hall room or campus apartment for next year. The next process is:

New to Soltz Hall Process **for students with more than 59 credits**

Tuesday, February 13 between 7am - 9pm

If you currently live anywhere on-campus and want to live in one of the **SOLTZ HALL SUITES** for Fall 2018/Spring 2019 and have more than 59 credits earned with a fully matched roommate group in MyHousing, you must go online to MyHousing and select a suite from those available on Tuesday, February 13 from 7am – 9pm. Below are the Soltz Hall suites available for this process:

Double Suites 16 Male or Female

At that time, the student in your roommate group who currently lives anywhere on-campus and has more than 59 credits earned to date must complete these steps for the group:

1. Login to [MyHousing Self-Service](#)
2. On the top navigation bar, click on Room Selection, then Select a Room or Suite to select your suite, room or apartment.
3. The next page that opens will show you the suites, rooms or apartments that you are able to select. You will only see options with the same number of beds as roommates in your fully matched roommate group.
4. Click on the one you want and add yourself and your roommate(s) into the bedroom in which each person wants to live.
5. Check the Overview page to see your Fall 2018/Spring 2019 housing assignment.

NOTE:

- You MUST have a fully matched roommate group in MyHousing with the exact number of roommates to fill the number of beds in the suite. Be sure to remove anyone who will no longer be living with you. If you need to add a roommate, it MUST be someone who currently lives on-campus and has completed the fall 2018/spring 2019 housing agreement. If you add or remove a roommate(s), everyone in your roommate group must do the same so that your group is fully matched. Otherwise, you will not be able to select a suite.
- If this selection process does not apply to your group, check out the HOST Schedule online at <http://reslife.bloomu.edu/host.php> for the upcoming selection processes.
- If you have already selected housing (residence hall suite, room or apartment) you CANNOT cancel your assignment to select something else.
