Are you planning to live on-campus for Fall 2019/Spring 2020?

Do you know where you want to live?

Do you have enough roommates to fill the apartment, suite, or room?

- You **MUST** have a fully-matched roommate group to select a Soltz Hall suite or residence hall room. If you do not yet have enough roommates, be sure to check out the [Roommate Search](#) site. Enter information about yourself and review the list of other students looking for a roommate(s). This is a great resource for finding roommates.
- Students who want to select an apartment do not need to fill the apartment but keep in mind, if there are vacancies in your apartment, other students can assign themselves to those spaces. If you choose to request a roommate(s), you must all request each other in **MyHousing Self-Service** so that you group is fully-matched. Students with apartment openings will either be consolidated or assigned random roommates.
- Starting October 8 (for the early selection process) or December 1 (for the traditional selection process), you can enter your roommate(s) for fall 2019/spring 2020 in **MyHousing Self-Service**. If you need to add or delete someone, you can do so up until the time you actually SELECT your housing in October (early process) or February (traditional process). You will not be able to enter a roommate request until you each complete the Fall 2019-Spring 2020 Academic Year Current Student Housing and Dining Agreement in **MyHousing Self-Service**, deadline October 19, 2018 (early process) or January 31, 2019 (traditional process).
- Keep your Roommate Requests up-to-date in **MyHousing Self-Service**. If you no longer want to live with someone you requested, you **MUST** go back into **MyHousing Self-Service** and remove them from your roommate group **before** you select your suite, apartment, or room. All roommates in the group must do the same. The person who will no longer be in your group must also remove everyone else from their Roommate Requests. ALL ROOMMATES MUST MATCH COMPLETELY or you will not be able to select a specific campus assignment.
- If you are not able to select housing but would like to live on-campus, you MUST first complete the Fall 2019-Spring 2020 Academic Year Current Student Housing and Dining Agreement in **MyHousing Self-Service**. During the last dates of the HOST process, email buhouse@bloomu.edu with your top five preferences of where you would like to live. If there is nothing available in one of your choices, we will place you wherever we have space available.
- Once you have selected or have been assigned housing, you may still be able to add or remove a roommate on the roommate request page in **MyHousing Self-Service**. However, this will not add or remove that person from your housing assignment. Email buhouse@bloomu.edu to discuss any room or roommate change requests prior to the end of the spring semester. Be aware, there is no guarantee that a change will be made.
