BU Card Holder Agreement Form

All cardholders are required to fill out a BU Card Holder Agreement Form prior to receiving a BU ID Card. Your signature and acceptance of the BU ID Card constitutes agreement to the terms and conditions contained in the BU Card Holder Agreement Form. The BU Card Holder Agreement Form is available for review on the BU Card Center web page at anytime.

Insufficient Funds

Your Husky Gold transactions will be verified prior to the completion of a transaction. In the rare event a transaction cannot be verified due to a systems problem and a purchase occurs with insufficient funds in the Husky Gold account, the account will reflect a negative balance. The owed funds will automatically be deducted from the next deposit. Should the account be closed with a negative account balance, the balance will be billed directly to the participant. Should a deposit to the account be returned for insufficient funds, Bloomsburg University may deduct the deposit and any associated fees from the Husky Gold account.

Errors or Disputes

It is important that the account holder review the account history available online at the BU Card Center web page on at least a monthly basis. The BU Card Center web page also provides cardholders with an option that will automatically email the account history statement at the end of each month. If there is any questionable transaction, refer to steps 1-4 below. Errors on receipts should be addressed with the business of origin. If the account holder is unable to resolve the dispute with the merchant, refer to steps 1-4 below.

1. Discrepancies must be reported to the BU Card Center no later than sixty (60) days after the discrepancy appears. If an account holder makes an oral request, it must be followed by a written notification within ten (10) business days. If the BU Card Center is not notified within sixty (60) days of the discrepancy, the participant may be liable for any error or erroneous charges.
2. The following items must be provided when discrepancies are reported: (1) account holder name and ISO number, (2) description of the transaction in question and a clear explanation of the discrepancy, and (3) dollar amount of the transaction. In the event that a merchant places a hold or deducts an amount different from the amount of purchase(s), the BU Card Center will work with the cardholder and the merchant to address the discrepancy.
3. The BU Card Center will investigate the discrepancy. The result of the investigation will be ordinarily made available within ten (10) business days of notification; however, if needed the University may take up to forty-five (45) days to conduct the investigation in which event the account will be provisionally credited.
4. The BU Card Center will correct any error within 24 hours of determination and account holder will be notified. If no error is found, a written explanation will be provided within three (3) business days after the close of the investigation. In the event there was no error and the account was provisionally credited, the University may charge the account holder for the amount of any provisional credit previously provided.
