REMINDER TO CURRENT ON-CAMPUS RESIDENTS: HOST FALL 2015/SPRING 2016

If you want to live on-campus again for Fall 2015/Spring 2016, January 31st is THE LAST DAY to complete the first step, ApplyOnline for Fall 2015/Spring 2016. Have questions? Come to the Residence Life Office, Monday – Friday, 8:00A – 4:30P or email Michele at mstout@bloomu.edu or Lori at lshmid@bloomu.edu. If you do not complete ApplyOnline by the January 31, 2015 deadline, you will not be permitted to live on-campus for the 2015-2016 academic year. For details refer to H.O.S.T. section of your website.

WIRED NETWORK CONNECTION NOTICE

The cost to maintain both a wired and wireless network infrastructure is high with less than 10% of students opting for wired connections. As a result, most of the infrastructure that supported the wired network has been decommissioned in an effort to keep housing rates as low as practical. All students residing in residence halls and apartments are provided with access to the University’s high-speed wireless network at no additional charge. All rooms, and select common areas in apartments, have ethernet jacks installed, but these are now inactive. A limited number of wired connections are still available, but at an additional charge. If you would prefer to connect to the University network via a wired connection, please complete our Wired Network Connection Request form to submit a request to have your port activated.
